Windows 10 Upgrades

Several Windows 10 upgrades options are now available for Polaris Machines in the field.*

- **Latest production standard for new machines with enhanced security features (with IPC upgrade).**
- **Standard Windows 10 (software only).**
- **Semi-annual upgrade packages.**

*Encore Polaris packages can enable Windows 10 as far back as the first generation of HyPET machines.

Machine Upgrade No. **IM-008**

Upgrade Benefits

The Husky machine will have all the security features of Windows 10 operating system.

- Improved security with built-in protection against modern threats and regular security updates.

- Better performance with faster startup and improved overall system speed.

- Enhanced usability with more user-friendly interface

- App locker prevents installation of third part applications.

These benefits make Windows 10 a more secure, efficient and user-friendly operating system.

Installation Instructions

It is recommended that the installation be performed by a Husky Service Technician.
